

TME CHAINSAW SHORT COURSE TRAINING PROGRAM

What is the Chainsaw short course training program?

The Management Edge (TME) in partnership are excited to announce a potential *fully funded program delivered under the NSW Smart & Skilled program.

As a result of employer and industry feedback TME is conducting this program to assist employers, apprentices, and jobseekers in learning the key skills of chainsaw operation and felling small trees.

The Program will focus on giving students basic understanding both in knowledge and skills in the safe use of chainsaws and the felling of trees correctly and safely in the workplace.

Subjects that will be covered with indicative dates for delivery are:

w/c	AHCMOM213 Operate and maintain chainsaws
w/c	AHCPCM203 Fell small trees

*Program funding is subject to students Expressions of interest and successful application of the funding proposal.

For more information and to complete an expression of Interest, please contact Todd Duclos 0412 348 507 or todd@tme.edu.au

Induction:

Students will be introduced to the course, delivery and assessment methods, and expectations and rights of trainees prior to course commencement.

All students are expected to comply with worksite WHS procedures and policies during practical activities.
