

AMAZON Warehouse Training Program (Entry Level)

What is the AMAZON Warehouse Training Program?

TME Trade Training in partnership with Amazon and Training Services NSW are excited to announce a fee-free program delivered under the NSW Government's Smart & Skilled program.

On completing the training, you will have the opportunity of employment at the Amazon fulfillment Centre in Kemps Creek (subject to the usual interview and pre-employment checks). A NSW Training Services liaison officer will facilitate with employment opportunities.

The program will train anyone (who meets eligibility criteria) in the basic skills Amazon needs for entry level workers, which include.

- Induction and site safety
- Manual handling methods
- How to pick and process orders

A nationally recognised Statement of Attainment will be issued on successful completion of the program.

This is an exciting opportunity for people with the right work ethic to join one of the world's largest companies. Don't pass it up!

For more information, please complete the Expression of Interest at this link OR alternatively you can enrol directly by following this link;
